

## Building Neighborhoods. Helping Families.

At Citi Community Capital we use responsible lending practices to help build neighborhoods where families can embrace their community and all the amenities and services included.

And we are committed to being a resource for developers who share those ideals. That's why we are proud to sponsor the Texas Affiliation of Affordable Housing Providers and the 13th anniversary of the Texas Housing Conference.

And because Citi is the #1 affordable housing lender as ranked by *Affordable Housing Finance*, we have the talent and nationwide platform to support your goals.
